The Frontenac, Lennox and Addington Science Fair (FLASF) Best of Fair winners did a fantastic job at the Canada Wide Science Fair. Luca Menard, Olivia O’Driscoll, Matthew Kabin, Isaac Ho, and Jude Martin joined 374 of the best of the fair winning projects from across Canada and won many awards. The five FLASF Best of Fair winners spent last week at the Canada Wide Science Fair being judged by the national judges, meeting other participants from across the country, and taking in special workshops and activities all at the CWSF Virtual Science Fair.
